

IMMANUEL EYC

I promises this isn't another weekly email... just a busy two weeks in a row.

TIKTOK STYLE ASSISTANCE REQUESTED

Y'all probably know that we are having an evensong next month featuring some of the songs from Godspell. I am looking for interpretive dances, pantomimes, or goofiness for the song Day by Day. I will be award 100 points to anyone willing to film themselves dancing to part of this song. Please help me and badger all our friends to participate. and then email them to me!

SOCIALLY DISTANCED MASK WEARING BELLE HAVEN MARINA HOMECOMING ADVENTURE TIME BONANZA SEPTEMBER 12TH

Suspiciously similar update to last week! For those who are willing and able to mask, social distance, and meet—the EYC is invited to help us turn our kayak / paddle board trip at the beginning of the program year into a tradition! This Homecoming weekend we will go first to the Belle Haven Marina, then social-distance outdoor pizza. Be on the lookout for details and a sign up for our first in-person event of the year.

All the precautions in the world will not make in-person gatherings right for every family. If you're on the fence about whether or not to come (or send your child) I would be thrilled to talk through it with you. AND if you know that this isn't right for your child and want help or support in explaining that decision to your EYC member I'd be thrilled to do that too. It's very important that teenagers who can't attend, or even themselves don't feel comfortable attending, know that they are still loved, thought of, and very much a part of our EYC community.

EMAIL AND CELL PHONE UPDATES

I got two new emails from longtime EYC members this week. This has me thinking that there are potentially other EYC members who have emails that we don't have on our list yet. If you are a parent reading this and wondering if maybe it would be more useful in the inbox of a teenager, I would be delighted to add them to our list! (If you're in the EYC and reading this in your email... I have yours.)

HOMECOMING SEPT 13

After we kick off the year with the Socially Distanced Mask Wearing Belle Haven Marina Homecoming Adventure Time Bonanza, the next day we'll be live streaming our homecoming service and we will consider Summer 2020 officially closed!

SUNDAY SCHOOL

Speaking of videos, but unrelated to Godspell, the Sunday School teachers and myself are going to be producing some online video lessons for the K-5th age group this year. Consider this note my first introduction to the idea that I'll be looking for EYC members who might be willing to record 3-6 minute Bible Stories... Like... You!
